  GT institute of management studies and research
  Grade/Percentage: 76

- **PUC (XII) PCME**   (May 2018 - Mar 2020)
  Vivekananda Pre University college
  Grade/Percentage: 53

- **10th / SSLC**   (Jun 2017 - Apr 2018)
  BSVP high school (private candidate)
  Grade/Percentage: 44.4

PROJECTS

- **AI Resume Builder**
  This is a full-stack Django web application that leverages the power of Google's Gemini AI to revolutionize the resume creation and job application process. It provides a comprehensive suite of tools for both job seekers and employers, automating tedious tasks and providing intelligent insights.

- **Smart question paper generator**
  A Django-based web application to create, manage and generate examination question papers. Teachers can add questions to a question bank, filter by subject/year/unit, assemble papers with section-wise marks, validate total marks, and export the final paper as a PDF

TECHNICAL SKILLS

Backend: Python, Java, C, C++, WeasyPrint

Web Frameworks: Django

Frontend: HTML, CSS, Tailwind CSS, Alpine.js

Database: MySQL, PostgreSQL

DevOps & Tools: Git, GitHub

Concepts: Object-Oriented Programming (OOPS)

CERTIFICATIONS

- **Introduction to AI** - Simplilearn (Jan 2025)
- **Machine Learning** - Simplilearn (Mar 2025)

ACHIEVEMENTS
